

Dutch Sheets Prophetic Word “The Shift of ‘06”

This will be a year of the greatest change the church has experienced in our generation. While preparing to minister in Dallas on January 5, I heard the Holy Spirit very clearly say, “Tell them. . .” I quickly grabbed a pen and wrote the following as it was given to me:

1. “The greatest shift into the Apostolic Age comes this year, for this year they will begin to see the abundance of fruit begin to come forth.”
 - “Everything up to this point in time has been primarily the restoration of the apostolic and the prophetic – a preparation for what I am about to do.” The fruit of God establishing the fullness of His ministry giftings and His government in the earth is going to allow Him to release unprecedented power, authority, favor, revelation, judgments and righteousness.
2. “Opposition to the apostolic and prophetic will also be the greatest this year.”
 - He is going to expose wineskins (new or old), and religious spirits, taking off the masks of those who oppose His move. Those who refuse to move in current truth will begin to openly criticize leaders in the Body of Christ that are moving in the flow of the apostolic and the prophetic. Some have been doing so in a very subtle way but this year it will become obvious. When they do, God is going to begin to judge them.
3. “I must bring further changing of paradigms, not just to those who have not been moving in the flow of My spirit, but even to those who are in the flow of My Spirit.” I heard Him say, “Restructure, restructure, restructure.”
 - Ministries will restructure, churches will restructure, businesses will restructure, individuals will restructure (the way they do things, their time, the way they think, the way they operate), families will restructure.
 - Teaching on the kingdom of God will bring about great changes of paradigms, taking us back to the original mandate of Genesis. You will hear it taught over and over again this year. Kingdom theology is going to be at the forefront.
4. “I am waiting for those who will fulfill *My* mission statement” (Luke 4:18-19; Is. 61).
 - Preach the gospel to the poor
 - Proclaim release to the captives
 - Recovery of sight to the blind
 - Set free the downtrodden

- Proclaim favorable year of the Lord
 - I heard Him say, “If those in My church that will begin to make this their mission statement, I will give them the fulfillment of every one of them.” He went on to say, “There is a radical anointing of deliverance that is about to come to the church. It will actually be violent at times and people will be radically delivered in a moment.”
 - The favorable year of the Lord refers to Jubilee. Captives go free, inheritances are restored.
5. “This is a year of favor – and disfavor.”
- What you have prayed for, plowed for, sown into, longed for, cried out for, what you have seen but not been able to taste, what you have fasted for, wept over – this is the year of favor. His favor will be seen on your family, business, finances and body.
 - This is a year that He will no longer allow people to ride the fence. He will draw a line in the sand and make them decide who they are and what they stand for. The political games in the church will be judged. For those who refuse to flow with current revelation and resist it, you will see them come into disfavor. Some ministries and churches will lose their favor this year. Others will be raised up and given more influence. It is a year of dismantling that which is built that is not bringing Him glory and a year of great building for others.

The landscape of the church will change this year.

6. “I am looking this year for those who will be more heavenly minded than earthly minded.”
- He is looking for those who will set affections on things above, and who will set their affection more on His kingdom and what He wants. For those who will do this, He give them insights from heaven. This will allow them to bring heaven to earth, no longer simply praying “Thy kingdom come, Thy will be done on earth as it is in heaven.” He will give them authority and understanding on *how* to bring heaven to earth.
 - Also for those who do this, He will cause them to see things from a heavenly perspective. Problems, challenges, vision, difficulties in their families, financial needs – all of these will begin to be seen from His perspective.
7. “I am looking for those who will believe in My power. Miracles are there for the taking.”
- Chuck Pierce prophesied that we will see a move of God this year in which signs and wonders will break out on university campuses. Yale

and the University of Texas were mentioned specifically, but the word was not limited to them. The power of God is about to invade the universities of America.

8. "Tell My leaders to pray more and work less."
 - The sense I had was that if they will pray more, they can work less.
9. "This is the most important year yet for right alignment."
 - If we are not in proper alignment with leaders, properly connected to those we need to be walking with and properly covered by those in positions of authority, this is the year it will begin to cost us: fruitfulness, health, destruction in other ways, loss of revelation and destiny. The setbacks will begin for those who are not properly aligned.
10. "This is the most important year yet for right timing."
 - Opportunities will come and go quickly.
 - The timing of endeavors will be critical.
 - Being at the right place at the right time will be essential.
11. "The great transfer of wealth begins this year."
12. "The river of God is coming, but not as they have known it before."
 - Not just refreshing and renewal.
 - It will be deeper and will bring about great power and great harvest.
13. "This is a year of unique assignments."
14. "This is a year in which I will release an abundance of creativity."
 - Business
 - Technology
 - Inventions
 - Songs, ideas, strategies
 - I heard Him say, "The secrets of heaven are coming to earth." Some of it will be so revelatory that even creative ideas on how to transform whole regions of the world will be released.

15. "I am going to wreak havoc in some of the U.S. government."

- Corruption will be exposed.
- Wrong motives will be exposed.
- Judgment is coming to this nation with great intensity and God is going to show who is on His side.

16. "This is the year that the lid comes off of the youth movement."

- I saw a giant pressure cooker, shaking and ready to explode. Suddenly the lid blew off and the contents flew everywhere. The Lord then made the above statement.

The shift this year will be monumental. Shift with Him and see your greatest year ever. Isaiah 43:18-19 says, "Do not call to mind the former things, or ponder things of the past. Behold, I will do something new, now it will spring forth; will you not be aware of it? I will even make a roadway in the wilderness, rivers in the desert." Let's shift with Him.
